

One of us
is telling
the truth.

No, no, no.
We are both
lying.

Neither of us
is telling
the truth.

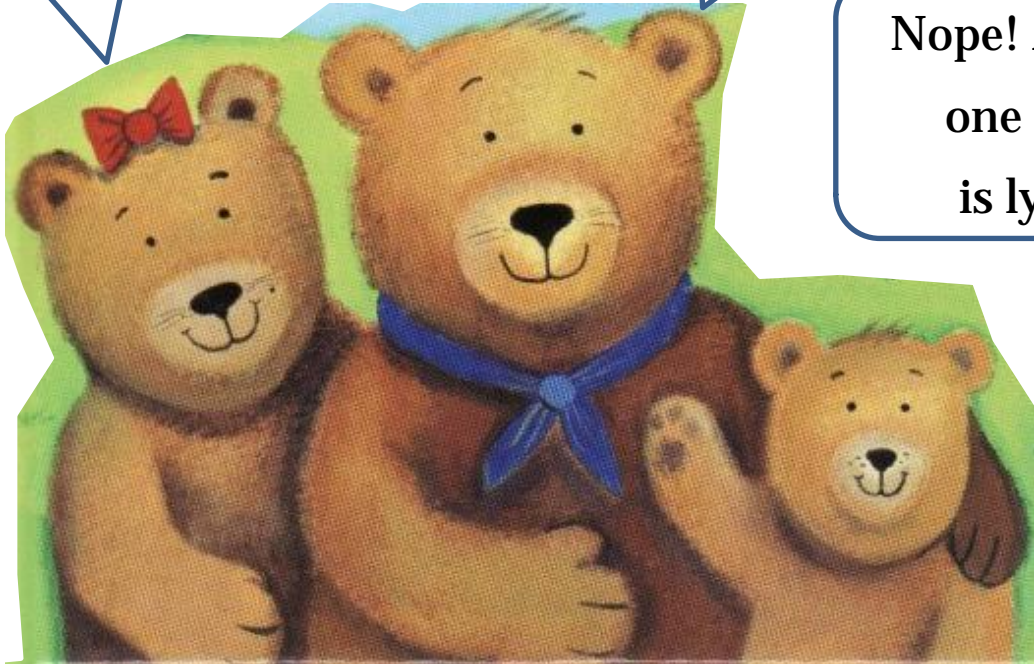

I am either
lying or telling
the truth.

Papa Bear
is telling
the truth.

We are
all telling
the truth.

Nope! At least
one of us
is lying.

Only one
of us
is lying.

Exactly two
of us
are lying.

All three
of us
are lying.
